2 Issue Date, Issue Price, Method and Place of Notes Subscription

2.1 Issue Date

The issue date of the Notes is scheduled to be 27 January 2022 (the **Issue Date**). The Notes may be issued (i) in a single series on the Issue Date or (ii) in tranches during the subscription period ending 12 months after the

Issue Date (the **Issue Period**). If all the Notes are not issued during the Issue Period, the Notes may also be issued during an additional issue period determined by the Issuer and ending no later than on the Record Date for Nominal Amount Repayment (as defined below). The Issuer will notify the Noteholders, in the same manner as used for publication of these Terms and Conditions, of the determination of such additional issue period.

Without undue delay after the Issue Date and after the expiry of the Issue Period, the Issuer will notify the Noteholders, in the same manner as used for publication of these Terms and Conditions, of the total nominal value of all issued Notes comprising the Issue.

2.2 Issue Price

The issue price of the Notes issued on the Issue Date is equal to 100 per cent. of their nominal value. The issue price of any Notes issued after the Issue Date will be determined by the Issuer together with the Joint Lead Managers taking into account the current market conditions. Where relevant, a corresponding accrued interest amount will be added to the issue price for any Notes issued after the Issue Date.

2.3 Method and Place of Notes Subscription

The method and place of subscription for the Notes is set out in the Prospectus (see “*SUBSCRIPTION AND SALE*”).

3 Status of the Notes

The Notes and all payment obligations of the Issuer vis-à-vis the Noteholders under the Notes constitute direct, unconditional, unsecured and unsubordinated liabilities of the Issuer, which are and will rank *pari passu* among themselves and at least *pari passu* with any present and future direct, unconditional, unsecured and unsubordinated liabilities of the Issuer with the exception of liabilities treated preferentially under applicable mandatory laws.

3.1 No Pre-emptive or Priority Rights

Neither the shareholders of the Issuer nor any other person has any right of first refusal, pre-emptive or conversion rights in relation to the Notes or any other subscription rights in relation to the Notes.

4 Issuer's Covenants

4.1 Negative Pledge

As long as any payment obligations from the Notes remain outstanding in accordance with these Terms and Conditions, the Issuer will not create or permit to subsist any Security Interest, other than a Permitted Security Interest, for any payment obligation arising from notes, promissory notes and any other debt securities, which would restrict the rights of the Issuer or its Subsidiaries in relation to its current or future assets or income, unless the Issuer ensures at the same time or prior thereto that the Issuer's obligations under the Notes (i) are equally and rateably secured therewith, or (ii) are secured by such other security as may be approved by resolution of the Meeting (as defined in Condition 13 of these Terms and Conditions).

4.2 Other Indebtedness

As long as any payment obligations from the Notes remain outstanding in accordance with these Terms and Conditions, the Issuer or any Material Subsidiary will not enter into any transaction that would directly or indirectly result in any increase of the Group Indebtedness, where as a result of such transaction, (i) the Consolidated Net Indebtedness Ratio would exceed 3.50, or (ii) an Event of Default would occur, threaten to occur or continue. The Consolidated Net Indebtedness Ratio shall be calculated from the latest available Net Indebtedness figures available as of the date of the intended Indebtedness increase. For the avoidance of doubt, it is not necessary to calculate the Consolidated Net Indebtedness Ratio if it is absolutely evident that the transaction in question would not cause the Consolidated Net Indebtedness Ratio to exceed 3.50. This restriction shall not apply to any guarantees or suretyship in the form of a deed of guarantee, financial guarantee or other forms of guarantee, suretyship, aval or assumption of a joint and several obligation for the benefit of third

parties outside the Group, which at any time do not exceed the amount of CZK 100,000,000 (or its equivalent in any other currency). The above restriction further does not apply to indebtedness incurred (i) by operation of law or by virtue of a judicial or administrative decision, (ii) in connection with regular business activities of the Issuer (including documentary letters of credit and bank guarantees issued on behalf of the Issuer or a Material Subsidiary, where applicable), (iii) in connection with any derivatives concluded by the Issuer or any Subsidiary in order to secure interest rate or foreign exchange rate fluctuations (for the avoidance of doubt, save for any securities derivatives used for speculative purposes only), (iv) in connection with the Project Financing, or (v) in connection with the refinancing of any payment obligations existing as of the Issue Date (but only up to the amount of the payment obligations being refinanced).

4.3 Transactions Involving Affiliated Companies

The Issuer will not enter into any agreement with, or engage in any transaction or take any measures vis-à-vis, any affiliate other than on an arm's-length basis.

4.4 Restriction on Disposal of Assets

The Issuer or any Material Subsidiary will not transfer or otherwise divest or make available, whether in one single transaction or in a series of (related or unrelated) transactions, any of their assets valued in excess of CZK 100,000,000 (or its equivalent in other currency) if, as a consequence of such transaction, (i) the Consolidated Net Indebtedness Ratio would exceed 3.50, or (ii) an Event of Default would occur, threaten to occur or continue.

The Issuer or any Material Subsidiary may only transfer or otherwise divest or make available, whether in one single transaction or in a series of (related or unrelated) transactions, any of their assets on the following conditions: (i) the transaction is carried out for fair value, and at least 75% of the consideration consists of cash or cash equivalents, or in case of a non cash consideration, such fair value will be confirmed by a prior valuation prepared by an independent expert, auditor, or financial institution (ii) no Event of Default threaten to occur or continues, (iii) for a transaction value of CZK 100,000,000 or more, the Issuer has obtained a prior valuation by an independent expert, auditor, or financial institution, and (iv) the funds thus raised will be used to for operational needs or for the repayment of the issued Notes or to refinance senior payment obligations in relation to the Notes, or for the payment of any dividend or any other profit share, and every time in accordance with these Terms and Conditions.

The Consolidated Net Indebtedness Ratio shall be calculated based on the latest available figures for Net Indebtedness as of the date of the intended disposal of assets (which shall in any case not be older than 30 days).

4.5 Restriction on Payments

As long as any payment obligations from the Notes remain outstanding in accordance with these Terms and Conditions, the Issuer will not (i) declare on the distribution nor distribute any dividends or other profit shares or any share on registered capital, (ii) will not grant any loan or credit to its shareholders, and (iii) will not repay any payment obligation to its shareholder, as a consequence of such transaction, the Consolidated Net Indebtedness Ratio would exceed 3.50, or an Event of Default would threaten to occur or continue. The Consolidated Net Indebtedness Ratio shall be calculated based on the latest available figures for Net Indebtedness as of the date of the intended distribution of dividends, granting of a loan, or repayment of payment obligation to its shareholder. The restrictions under this paragraph does not apply to cash-neutral transactions (such as a set-off of dividends against receivables toward the shareholder, etc.).

4.6 Defined Terms

Capitalized terms have the meanings assigned to them in Condition 16.

All coefficients shall be calculated based on financial data taken or derived from the financial statements which were compiled in accordance with the IFRS.

To the extent that the Issuer undertakes in these Terms and Conditions to ensure that a third party will fulfil a certain obligation, this shall be understood to mean that the Issuer warrants the agreed performance by a third party within the meaning of Section 1769, second sentence, of Act No. 89/2012 Coll., the Civil Code, as amended (the **Civil Code**), whereas the first sentence of Section 1769 of the Civil Code shall not apply to such cases.

5 Interest

5.1 Interest Rate and Interest Payment Dates

The Notes will bear a floating interest rate equal to (i) the Reference Rate (see definition below in this Condition 5.1) valid for the relevant Interest Period (see definition below in this Condition 5.1) and determined by the Calculation Agent on the Reference Rate Determination Date (see definition below in this Condition 5.1) plus (ii) the margin of 1.40 per cent. p.a. The interest will be paid semi-annually in arrears, on 27 July and 27 January (the **Interest Payment Dates**). The first Interest Payment Date will be 27 July 2022.

Reference Rate means 6M PRIBOR; **6M PRIBOR** means the interest rate in per cent. p.a. offered for the Czech Koruna that is quoted in “Reuters Screen Service” PRBO page (or any other official source where such rate will be quoted) as the value of the Prague interbank offer rate for Czech Koruna interbank deposits for the 6-month period set out by the administrator of PRIBOR and valid on the Reference Rate Determination Date. If PRIBOR is not quoted in the aforementioned PRBO page (or other official source) for the relevant 6-month period, then the Calculation Agent will determine 6M PRIBOR from (i) PRIBOR for the nearest longer period for which PRIBOR is quoted in the aforementioned PRBO page (or other official source) and (ii) PRIBOR for the nearest shorter period for which PRIBOR is quoted on the aforementioned PRBO page (or other official source), using straight line linear interpolation by reference to the two rates. If 6M PRIBOR cannot be determined on any day according to the preceding paragraph, then the Calculation Agent will determine 6M PRIBOR on such day as the arithmetic mean of the interest rates quoted for the sale of Czech Koruna interbank deposits for such period that corresponds to the relevant 6-month period and the relevant amount is obtained on such day after 11:00 (eleven) a.m. Prague time from at least 3 (three) banks operating in the Prague interbank market selected by the Calculation Agent at its sole discretion. If 6M PRIBOR cannot be determined in this manner, then it will be equal to the 6M PRIBOR determined in accordance with the precedent paragraph on the nearest previous Business Day when 6M PRIBOR was determinable in such a manner.

If the interest rate determined in accordance with this Condition 5.1 is below zero (i.e. the total of the Reference Rate and the margin), the interest rate will be deemed to be zero.

For the avoidance of doubt, if PRIBOR is cancelled or ceases to be generally used in the market for interbank deposits due to the adoption of euro as a lawful currency of the Czech Republic, the rate that will be generally used in the market for interbank deposits in the Czech Republic will be used instead of PRIBOR.

Reference Rate Determination Date means the date as of which the Reference Rate for the relevant Interest Period is determined. The Reference Rate Determination Date for the relevant Interest Period will be the second Business Day before the first day of such Interest Period.

For the purposes of these Terms and Conditions, **Interest Period** means the period from (and including) the Issue Date to (but excluding) the first Interest Payment Date, and each immediately following period from (and including) the Interest Payment Date to (but excluding) the next Interest Payment Date until the maturity date of the Notes (as specified in Condition 6.1). For the purposes of determining the Interest Periods, the Interest Payment Date will not be adjusted according to the Business Day Convention (see Condition 7.3 of these Terms and Conditions).

The Calculation Agent will round the interest rate for each Interest Period on the basis of mathematical rules to two decimal places according to the third decimal place. The Calculation Agent will notify the Fiscal and Paying Agent of the interest rate applicable to each Interest Period promptly after its determination and the Fiscal and

Paying Agent will in turn communicate without any undue delay such interest rate to the Noteholders in accordance with Condition 14 of these Terms and Conditions.

The interest will accrue evenly from the first day of each Interest Period to the last day included in such Interest Period at the interest rate set out in this Condition 5.1.

The amount of interest accrued on one Note will be calculated as a multiple of the outstanding nominal amount of such Note, the relevant interest rate (expressed in decimal form) and the day count convention determined in Condition 5.3 of these Terms and Conditions.

The information about the past and the future performance of 6M PRIBOR and its volatility can be obtained by electronic means and free of charge on the website of the Czech National Bank <https://www.cnb.cz> in the section Financial markets, Money market information, PRIBOR, Fixing of Interest Rates on Interbank Deposits - PRIBOR (in Czech: *Finanční trhy, Peněžní trh, PRIBOR, Fixing úrokových sazeb na mezibankovním trhu depozit – PRIBOR*).

5.2 End of Interest Accrual

The Notes will cease to bear interest on the Maturity Date (as this term is defined in Condition 6.1 of these Terms and Conditions) or on the Early Redemption Date (as this term is defined in Conditions 6.3, 9.2, 13.4.1 and 13.4.2 of these Terms and Conditions), unless the payment of any due amount is unlawfully retained or refused by the Issuer although all relevant conditions and requirements for payment on the Maturity Date or the Early Redemption Date have been complied with. In such an event, interest will continue to accrue at the interest rate set out in Condition 5.1 until the earlier of (i) the date on which all amounts due and payable as of that date in accordance with these Terms and Conditions are paid to the Noteholders or (ii) the date on which the Fiscal and Paying Agent notifies the Noteholders that it has received all amounts payable in connection with the Notes, unless any additional unlawful retention or refusal of payments occurs after such notice.

5.3 Day Count Convention for Interest Calculation

The interest payable on the Notes for a period of less than 1 (one) year will be calculated on the basis of an Act/360 day count convention, i.e., the actual number of days in the period for which the interest is calculated divided by 360.

5.4 Calculation of Interest

The amount of interest accrued on one Note over any period of one current year will be calculated as a multiple of the nominal value of such Note and the relevant interest rate (expressed in decimal form). The amount of interest accrued on one Note over any period shorter than one current year will be calculated as a multiple of the nominal value of such Note, the relevant interest rate (expressed in decimal form) and the relevant day-count fraction determined according to the day count convention under Condition 5.3 of these Terms and Conditions. The total interest amount calculated according to this Condition 5.4 will be rounded to two decimal places.

6 Redemption and Purchase

6.1 Redemption at Maturity

Unless previously redeemed or purchased by the Issuer and cancelled as specified below, each Note will be redeemed by the Issuer at its outstanding nominal amount in a single payment on 27 January 2029 (the **Maturity Date**).

6.2 Early Redemption at the Option of the Noteholders

The Noteholders are not entitled to require early redemption of the Notes before the Maturity Date, except for early redemption pursuant to Conditions 6.3, 9.2, 13.4.1 and 13.4.2 of these Terms and Conditions. In such events, the Issuer will repay the nominal amounts of the relevant Notes plus accrued and outstanding interest in accordance with these Terms and Conditions.

6.3 Early Redemption at the Option of the Noteholders

6.3.1 Early Redemption upon Change of Control

If a Change of Control occurs, the Issuer shall notify the Fiscal and Paying Agent, as well as the Noteholders, of this fact, and shall do so promptly and in any case no later than within 3 (three) Business Days from learning of the fact, following the procedure set out in Condition 14 of these Terms and Conditions (the **Issuer's Notice of an Early Redemption Event**). In the Issuer's Notice of an Early Redemption Event, the Issuer shall outline in broad terms the reasons that led to the Change of Control, and set out the procedure to be followed if one wishes to make a request for early redemption of the Notes.

A **Change of Control** is deemed to occur if Mr. René Holeček, born July 28, 1966, ~~residing at Mánesova 475, 738 01 Frýdek-Místek, ceases to be the direct or indirect owner of at least 51% of the shares in the Issuer (or other type of shares in case of corporate transformation) or is otherwise no longer able to influence the management and strategy or other affairs of the Issuer~~ceases to, whether directly or indirectly, ~~through his ownership of a share in which voting rights are vested, or on a contractual basis, or otherwise.~~

- (a) own more than 30% share in the Issuer;
- (b) own a share in the Issuer that exceeds the share of any other shareholder and is greater than the combined shares of any two or more shareholders acting in concert;
- (c) hold voting rights in the supreme body of the Issuer surpassing the voting rights of any other shareholder and those of any two or more shareholders acting in concert; or
- (d) Control the Issuer.

Control means the power to directly or indirectly (i) exercise decisive influence in the person within the meaning of the Act No. 90/2012 Coll., on Business Corporations, as amended, (ii) direct the person's affairs or (iii) control the composition of majority of the person's statutory bodies, supervisory bodies or equivalent bodies.

6.3.2 Noteholders' Right to Seek Early Redemption

Within no more than 45 (forty five) days from the Issuer's Notice of an Early Redemption Event becoming public, any Noteholder may at their discretion, by way of a written notice designated for the Issuer and delivered to the Fiscal and Paying Agent at the address of the Specified Office (the **Early Redemption Notice**), ask for the early redemption of the Notes held by them, whereas they undertake not to divest these Notes as of that moment, plus any accrued and unpaid interest thereon, in accordance with Condition 5.1 of these Terms and Conditions and as of the Early Redemption Date (as defined in Condition 9.2 of these Terms and Conditions), and the Issuer must redeem such Notes (together with accrued and unpaid interest) as requested, within the time period set out in Condition 9.2 of these Terms and Conditions.

6.3.3 Withdrawal of Early Redemption Notice

Individual Noteholders may withdraw the Early Redemption Notice in writing, but only with respect to the Notes held by such Noteholder, and only if the withdrawal is addressed to the Issuer and delivered to the Fiscal and Paying Agent at the address of the Specified Office before the relevant amounts become due and payable according to the preceding Condition 6.3.2 of these Terms and Conditions. However, such withdrawal of the Early Redemption Notice will not affect any Early Redemption Notice given by other Noteholders.

6.3.4 Other Conditions for Early Redemption of Notes

For the rest, the early redemption of the Notes pursuant to this Condition 6.3 is governed, mutatis mutandis, by Condition 7 of these Terms and Conditions.

6.4 Purchases

The Issuer is entitled to purchase the Notes at any time on the market or otherwise at any price.

6.5 Cancellation of the Notes

The Notes purchased by the Issuer will not be cancelled, unless decided otherwise by the Issuer. If the Issuer does not decide on the cancellation of the Notes purchased by it, it will be entitled to dispose of such Notes at its sole discretion.

6.6 Applicability of the Payment Terms

The provisions of Condition 7 of these Terms and Conditions also apply to the redemption and purchase of the Notes under this Condition 6.

7 Payment Terms

7.1 Currency of Payments

The Issuer undertakes to pay interest on and repay the nominal amount of the Notes solely in the Czech Koruna, or in any other lawful currency of the Czech Republic that might replace the Czech Koruna. Interest will be paid to the Noteholders and the nominal amount of the Notes will be repaid subject to and in accordance with these Terms and Conditions and the tax, foreign exchange and other applicable laws of the Czech Republic in effect at the time of the relevant payment.

In the event that the Czech Koruna in which the Notes are denominated and in which the payments relating to the Notes should be made in compliance with these Terms and Conditions ceases to exist and is replaced by euro, (i) the denomination of such Notes will be changed to Euro in conformity with the applicable laws, and (ii) all monetary liabilities arising from such Notes will automatically and without any further notice to the Noteholders be payable in Euro, with the official rate (i.e. the fixed conversion ratio) being in accordance with the applicable law being used as the exchange rate between the Czech Koruna (CZK) and euro (EUR). Such replacement of the Czech Koruna (i) will not, in any respect, affect the existence or enforceability of the Issuer's liabilities under the Notes, and (ii) for the avoidance of doubt, will not be deemed to constitute any change to these Terms and Conditions or a default or an event of default or an enforcement event under these Terms and Conditions.

7.2 Payment Date

The payment of interest on and the repayment of the nominal amount of the Notes will be made by the Issuer through the Fiscal and Paying Agent on the dates specified in these Terms and Conditions (each such date further referred to, according to its meaning, as the **Interest Payment Date** or the **Maturity Date** or the **Early Redemption Date** or also as the **Payment Date**).

7.3 Business Day Convention

If any Payment Date falls on a day that is not a Business Day, such Payment Date will instead fall on the next following Business Day, and the Issuer will not be obliged to pay any interest or any other additional charges by reason of such delay in payment resulting from the application of any Business Day convention (the **Business Day Convention**).

7.4 Determination of the Right to Receive Payments Related to the Notes

The authorised persons to whom the Issuer will pay interest or other amounts on the Notes will be persons on whose owner's securities account kept with the Central Depository, or in the register maintained by a person keeping follow-up records linked to the Central Depository, the Notes are recorded at the close of the relevant Record Date for Interest Payment (the **Authorised Persons**).

Record Date for Interest Payment is a day falling 30 calendar days prior to the relevant Interest Payment Date; however, for the purposes of determining the Record Date for Interest Payment, the Interest Payment Date will not be adjusted according to the Business Day Convention.

For the purposes of determining the recipient of interest, neither the Issuer nor the Fiscal and Paying Agent will take into account any transfer of any Notes registered in the Central Depository or in the register maintained by a person keeping follow-up records linked to the Central Depository after the Record Date for Interest Payment. The authorised persons to whom the Issuer will repay the nominal amount of the Notes shall be persons on whose owner's securities account with the Central Depository, or in the register maintained by a person keeping follow-up records linked the central registry for securities, the Notes are recorded at the close of the relevant Record Date for Nominal Amount Repayment (also the **Authorised Persons**).

Record Date for Nominal Amount Repayment is a day falling 30 calendar days prior to the relevant Maturity Date or the Early Redemption Date; however, for the purposes of determining the Record Date for Nominal Amount Repayment, such Payment Date will not be adjusted according to the Business Day Convention.

For the purposes of determining the recipient of the nominal amount of the Notes, neither the Issuer nor the Fiscal and Paying Agent will take into account any transfer of any Notes registered in the Central Depository or in the register maintained by a person keeping follow-up records linked to the Central Depository after the Record Date for Nominal Amount Repayment.

If, according to the entry in the owner's securities account kept with the Central Depository, or in the register maintained by a person keeping follow-up records linked to the Central Depository, the Notes with respect to which the payments of interest or other amounts shall be performed by the Fiscal and Paying Agent, are pledged, then the pledgee, recorded in the extract from the register of the Issue, shall be considered an Authorised Person in respect of the Notes, unless (i) it is evident that a person authorised to receive the payments of interest or other amounts attached to the pledged Notes is the respective Noteholder and/or (ii) it is proven to the Fiscal and Paying Agent in other satisfactory manner that the respective Noteholder has the right to receive the payments of interest or other amounts attached to the pledged Notes by virtue of an agreement between such Noteholder and the pledgee.

7.5 Payments

The Fiscal and Paying Agent will make payments to the Authorised Persons by means of wire transfer to their accounts kept with a bank in the Czech Republic. The Authorised Person's account details shall be communicated together with an instruction by the Authorised Person to the Fiscal and Paying Agent at the address of the Fiscal and Paying Agent's Specified Office in a verifiable manner no less than five (5) Business Days prior to the Payment Date. Such instruction shall be in the form of a written statement in the Czech or English language with notarised signatures, and contain sufficient details of such bank account to allow the Fiscal and Paying Agent to make the payment, and, in the case of the Authorised Person being a legal entity, the Fiscal and Paying Agent may, at its own discretion, require such instruction to be accompanied by an original or an officially certified copy of an extract from the commercial register or other respective register in respect of the Authorised Person not older than three months from the Payment Date (such instruction, together with the excerpt from the Commercial Register (if applicable), and the other required appendices, if any, is hereinafter also referred to as the **Instruction**).

The Instruction must be in form and substance reasonably satisfactory to the Fiscal and Paying Agent, and the Fiscal and Paying Agent shall be entitled to require reasonably satisfactory evidence that the signatory of such Instruction had the authority to sign such Instruction on behalf of the Authorised Person. Such evidence shall also be delivered to the Fiscal and Paying Agent no less than five Business Days prior to the Payment Date. In this respect, the Fiscal and Paying Agent shall be authorised to require that (a) a power of attorney be delivered in the event that the Authorised Person is acting through an agent or (b) the instruction from the Authorised Person be subsequently confirmed.

Notwithstanding the foregoing, neither the Fiscal and Paying Agent nor the Issuer will be obliged to examine the correctness, completeness or authenticity of any such Instruction in any manner whatsoever and neither of them will be liable for any damage incurred in connection with any delay in the delivery of such Instruction by the Authorised Person or with the delivery of an incorrect or otherwise defective Instruction. The Instruction will be deemed properly made if it contains all the items required by this Condition, is delivered to the Fiscal and Paying Agent in accordance with this Condition and complies with the requirements of this Condition in all other respects. Upon the Issuer's request, the Fiscal and Paying Agent shall provide the Issuer with other information as set out in the Fiscal and Paying Agency Agreement, if any.

Any Authorised Person who claims tax relief in accordance with any applicable double taxation treaty (to which the Czech Republic is a party) shall deliver to the Fiscal and Paying Agent a certificate of such Authorised Person's tax domicile and such other documents as the Fiscal and Paying Agent and the applicable tax authorities may request, together with the Instruction as an integral part thereof. Notwithstanding such rights, neither the Fiscal and Paying Agent nor the Issuer shall verify the authenticity or completeness of such Instructions, or be liable for any damage incurred in connection with any delay in the delivery of such Instruction by any Authorised Person, or with the delivery of an incorrect or otherwise defective Instruction.

If the above documents (especially the proof of tax domicile) are not delivered to the Fiscal and Paying Agent in the time period stipulated for the delivery of the Instruction, the Fiscal and Paying Agent will act as if the documents have not been delivered at all. The Authorised Person may, unless it applies for the refund with the relevant tax authority on its own, subsequently deliver such documents proving entitlement to a tax benefit and request the Issuer through the Fiscal and Paying Agent to refund the withholding tax or its part. In such a case, the Issuer has the right to require the Authorised Person to pay CZK 15,000 for each such delayed refund application as a lump sum covering additional expenses incurred by the Issuer in connection with such refund application, additional administrative costs and correspondence and communication with relevant tax authorities. In this case, the Issuer will pay the amount corresponding to the refunded withholding tax to the Authorised Person only after (i) such Authorised Person pays the relevant compensation amount under this paragraph to the Issuer and (ii) the Issuer has already received amount corresponding to the refunded withholding tax from the relevant tax authority. The Issuer is not required to take any other steps, make any other applications or enforce any claim or assist with an enforcement of any claim in connection with the refund of the withholding tax or its part.

The Issuer's obligation to pay any amount due in connection with the Notes will be deemed discharged in a due and timely manner, if the relevant amount has been remitted to the Authorised Person in compliance with a proper Instruction pursuant to this Condition 7.5 and if such amount is credited to the account of the Authorised Person's bank with the clearing centre of the Czech National Bank not later than on the relevant due date, if the payment is made in the Czech Koruna or in a currency that replaces the Czech Koruna (provided that settlement in such currency is made through the clearing centre of the Czech National Bank).

Neither the Issuer nor the Fiscal and Paying Agent will be liable for any delay in the payment of any amount due caused by the Authorised Person, e.g. by its failure to deliver a proper Instruction in a timely manner. If any Authorised Person fails to deliver to the Fiscal and Paying Agent in time a proper Instruction under this Condition 7.5 of these Terms and Conditions, it will have no right to receive either from the Fiscal and Paying Agent or the Issuer any interest or any other payment on account of such delay if (i) the relevant amount has been remitted to the Authorised Person in accordance with a proper Instruction pursuant to this Condition 7.5 and (ii) such amount has been debited from the Fiscal and Paying Agent's account not later than ten Business Days following the day on which the Fiscal and Paying Agent received the proper Instruction.

Neither the Issuer nor the Fiscal and Paying Agent will be liable for any damage incurred by (i) the failure to deliver in time the proper Instruction or any other documents or information required to be delivered under this Condition 7.5, or (ii) such Instruction or any related document or information being incorrect, incomplete or untrue, or (iii) circumstances beyond the control of the Issuer or the Fiscal and Paying Agent. No Authorised Person will be entitled in any such event to receive any additional payment, other compensation or interest for any such delay in the relevant payment.

7.6 Change in the Payment Method

The Issuer and the Fiscal and Paying Agent are jointly entitled to elect to change the payment procedure. However, such change may not affect the position and interests of the Noteholders. The Noteholders will be notified of such change in the same manner as set out in Condition 14. If such change would affect the position and interests of the Noteholders, the Issuer will be obliged to promptly convene the Meeting (as defined in Condition 13) and request the Noteholders to provide their opinion on the Issuer's proposal for any amendment to these Terms and Conditions that requires the Noteholders' consent under applicable laws as set out in Condition 13.

8 Taxation

All payments of principal and interest in respect of the Notes by or on behalf of the Issuer will be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by the Czech Republic or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. If any such deduction or withholding is so required, the Issuer shall not be obligated to pay to the Noteholders any additional amounts in respect of any such withholding or deduction.

The payment of principal and interest in respect of the Notes may be subject to withholding tax and securing tax, as applicable. Please see section *Taxation* of the Prospectus for further details.

13.2.2 *Voting Rights*

Each Person Authorised to Attend the Meeting will have such number of votes out of the total number of votes that corresponds to the ratio between the nominal amount of the Notes held by such person on the Meeting Attendance Record Date to the total outstanding nominal amount of the Issue on the Meeting Attendance Record Date. No voting right will be attached to any Notes held by the Issuer or any of its affiliates as of the Meeting Attendance Record Date that have not been cancelled by the Issuer within the meaning of Condition 6.5, and no such Notes will be taken into account when determining the presence of a quorum at the Meeting under Condition 13.3.1. In the case of a Noteholder being a legal entity, the Fiscal and Paying Agent may, at its own discretion, require from an individual entitled to represent such Noteholder at the Meeting on the basis of a power of attorney or otherwise an original or an officially certified copy of an extract from the commercial register or other respective register in respect of such Noteholder not older than three months prior to the date of the relevant Meeting.

13.3 *Course of the Meeting; Decision-Making*

13.3.1 *Quorum*

The Meeting will constitute a quorum if attended by the Persons Authorised to Attend the Meeting, who were, as of the Meeting Attendance Record Date, owners of the Notes the nominal amount of which represents more than 30 per cent. of the aggregate nominal amount of the issued and outstanding Notes. If the Meeting decides on recalling a common proxy, any votes belonging to the common proxy (if he is a Person Authorised to Attend the Meeting) will not be included in the total number of votes. Before opening the Meeting the Issuer will inform the Meeting, either alone or through the Fiscal and Paying Agent, about the number of all the Notes in respect of which the Persons Authorised to Attend the Meeting are entitled to vote at the Meeting in accordance with these Terms and Conditions.

The Meeting convened by the Issuer will be chaired by a chairman appointed by the Issuer. The Meeting may recall the common proxy in the same way in which the common proxy was elected or replace him with a new common proxy. An agreement on appointment of the common proxy shall be publicly available on the Issuer's website specified under Condition 14.

The Meeting will decide on any issues on its agenda in the form of resolutions. Any resolution that (i) approves a proposal on any amendment to these Terms and Conditions that requires the Noteholders' consent under applicable law, or (ii) appoints or recalls a common proxy, will require the affirmative vote of at least three-quarters of the attending Persons Authorised to Attend the Meeting. Unless provided otherwise by law, any other resolutions will require a simple majority of votes of the attending Persons Authorised to Attend the Meeting in order to pass.

13.3.5 *Adjourned Meeting*

If within one hour after the scheduled opening of the Meeting a quorum is not present, then such Meeting will be automatically dissolved without further notice.

If the Meeting convened by the Issuer which is to decide on amendments to the Terms and Conditions does not have a quorum within one hour after the scheduled opening of the Meeting, the Issuer will convene, if necessary, a substitute Meeting to be held not later than six weeks after the scheduled date of the original Meeting. The substitute Meeting convened by the Issuer deciding on amendments to these Terms and Conditions will have no quorum irrespective of the conditions for quorum set out in Condition 13.3.1 above.

This right must be exercised by the Applicant within 30 (thirty) days of the publication date of such Meeting resolution according to Condition 13.5 of these Terms and Conditions by a written notice (the **Application**) addressed to the Issuer and delivered to the Specified Office of the Fiscal and Paying Agent, failing which the right will terminate. The amounts referred to above will become due and payable within 30 days from the date the Application was delivered to the Fiscal and Paying Agent (the **Early Redemption Date**).

13.4.2 *Resolution on Early Redemption of the Notes upon Noteholders' Request*

If the Meeting agenda includes a Material Change under Condition 13.1.2 of these Terms and Conditions and the Meeting does not consent to such a Material Change, the Meeting may, even beyond the scope of the agenda, decide that if the Issuer proceeds in conflict with the resolution of the Meeting that disagreed with such a Material Change under Condition 13.1.2 of these Terms and Conditions, the Issuer will be obliged to repay the nominal amount of the Notes and any pro-rata interest accrued thereon (if relevant) to any Noteholder who requests such early repayment (the **Applicant**). This right must be exercised by the Applicant by a written notice (the **Application**) addressed to the Issuer and delivered to the Specified Office of the Fiscal and Paying Agent. The amounts referred to above will become due and payable within 30 days from the date the Application was delivered to the Fiscal and Paying Agent (the **Early Redemption Date**).

13.4.3 *Requirements as to the Application*

The Application will specify the number of Notes the redemption of which is claimed in compliance with this Condition. The Application must be in writing and signed by persons authorised to act on behalf of the Applicant, the authenticity of such signatures to be officially verified. Within the same time limit, the Applicant is obliged to deliver to the Specified Office of the Fiscal and Paying Agent all the documents required for making the payment under Condition 7 of these Terms and Conditions.

13.5 Minutes of the Meeting

Minutes of the business discussed and resolved at the Meeting will be taken by the person who convened the Meeting or by a person authorised by such person within 30 calendar days after the date of the Meeting. The minutes will contain the conclusions of the Meeting, including, without limitation, any resolutions adopted by such Meeting. If the Meeting is convened by a Noteholder or the Noteholders, the minutes of such Meeting must also be delivered to the Issuer at the Specified Office address not later than 30 calendar days after the date of the Meeting. The Issuer is obliged to keep the minutes of the Meeting until the rights under the Notes expire under the statute of limitations. The minutes of the Meeting will be available for inspection by the Noteholders at the Specified Office during regular office hours. The Issuer is obliged, in person or through its authorised person (especially the Fiscal and Paying Agent), to publish information on all resolutions adopted at the Meeting in the manner set out in Condition 14 not later than 30 calendar days after the date of the Meeting.

14 Notices

Any notice to the Noteholders will be valid and effective if published in the English language on the Issuer's website: www.czg.cz by selecting the following sections: *Investors*. If mandatory provisions of applicable laws or these Terms and Conditions determine any other method for publishing any of the notices given hereunder, such notice will be deemed to be validly published upon its publication in the manner prescribed by the relevant legislation. The date of such a notice shall be the date on which it was first published on the above Issuer's website.

Any notice to the Issuer will be valid and effective (i) upon its delivery by registered post (or in a similar way) or courier; or (ii) upon its delivery by an e-mail, whereas the Issuer agrees that the return receipt confirms such delivery. For a purpose of a due notification, any such notice shall contain the ISIN of the Notes.
